

# **The Goodspeed Collection**

## **Washington County Historian's Office**

Aaron Goodspeed of Granville, Washington County, NY lived from 1862 to 1932. He made a hobby and a business of gathering genealogical data on local people of his area and Vermont. He collected newspaper articles, wrote hundreds of letters requesting information from families and spent a lifetime pursuing his love of genealogy. He was a "top notch" pharmacist owning a drug store which still stands today and houses a dry cleaning business. Much of Goodspeed's collection is from the mid eighteen hundreds to the early nineteen hundreds, but some of his notes in his own handwriting might contain information relating to even earlier times. The following index has been prepared to advise researchers of the surnames in this collection. Some of the information found within is extensive, but in some cases it might contain a lone newspaper article.
