SPECIAL POINTS OF INTEREST:

- Why did they let the turkey join the band? Because he had the drumsticks
- Why did the police arrest the turkey? They suspected it of fowl play

Dog Joke

At the end of the day. I parked my police van in front of the station house. My k-9 partner Jake, was in the back of the car barking, which caught the attention of boy who was passing by

- "Is that a dog you have in the back?" he asked.
- "it sure is." i said. What did he do?

How to be loyal to your friends, but not too loyal!

Growing up you make friends, but you become loyal to them and they could depend on you a little too much.

When you get in the habit of lying for them and covering for them and sometimes even sinking to their bad behavior and sometimes—
EVEN fall into danger!

I am a very loyal person to my friends, I will lie for them, and cover for them, but I will not do something they are doing if I feel it is wrong to me! I walk away from it and they get mad at first but I tell them why I

did It and they respect me for my decision!

If your getting too loyal to your friends then do what I do or even do it better than I do! Don't let your friends control you!

I love my friends to death but if they try to suck me into something that doesn't Sit right with me I won't do it and my friends know it and they respect that! You should lay down the law but be gentle about it!

Do you have some friends like that? Do you lay down the law?

Children seldom misquote you. In fact, they usually repeat word for word what you shouldn't have said.

Ways to add interest and fun to your Thanksgiving

1. Load your plate up high, then take it to the kitchen, toss it all in the blender, and take your "shake" back to the table. Announce that it's the new Thanksgiving Weight Loss Shake.
2. When everyone goes around to say what they are Thankful for, say, "I'm thankful I didn't get caught" and refuse to say anything more.
3. Bring along old recorded football games, pop them in the VCR when Dad's not looking. Make sure it is set to the last two minutes of the game. When he comes into the room, turn off the VCR and turn on the regular TV.
4. Bring a date that only talks about the tragic and abusive conditions known to exist at turkey farms.
5. During mid-meal turn to mom and say, "See mom, I told you they wouldn't notice that the Turkey was past expiration date. You were worried for nothing."

- **The Pilgrims weren't the first people in America to hold a thanksgiving.**
- **The first thanksgiving had no religious significance at all, but was merely a harvest festival**
- **Our traditional Thanksgiving dinner has nothing in common with the Pilgrim's meal.**
